Bombardier strike continues after Unifor rejects company's final offer

To all Local 112/673 members:

During yesterday's negotiations with Bombardier, the company presented a final offer to the union. The bargaining committees reviewed the proposal, deemed it insufficient and ultimately rejected the final offer.

As a result, the strike at the Bombardier facility will continue.

Both parties remain apart on key union priorities. However, specific details of the negotiations will not be made public to protect the integrity of the bargaining process.

Both the union and the company will remain at the bargaining table and further updates on negotiations will be provided at the appropriate time.
