

DH Chairperson's Report

GMM January 29, 2025

Dear sisters and brothers,

DH has 63 members with 2 new postings for the 944 CSR classification. No one on layoff. We have numerous grievances, but are concentrating on 2 specific ones. Configuration Management outsource and the Flexible Work Arrangement grievances. We feel that both of these will end up in arbitration.

This concludes my report and I move for it's adoption.

In Solidarity

DD on behalf of brother Pinto.
