This year's theme, "**All in**," serves as a rallying cry for connection and solidarity within the queer community, emphasizing the importance of activism in the current political climate.

We are looking for people who are interested in taking part in celebrating the 2SLGBTQ+ community!

If you are interested in participating, please R.S.V.P. by June 9th to
support@uniforlocal673.org

If we have enough people interested, we will be ordering t-shirts, there will be a very limited number of shirts (they will be available at the starting point of the parade), please include your size when you respond.

A background image showing many hands of various skin tones holding up small rainbow flags. The flags are waving and the hands are reaching up from the bottom of the frame.
